

Volunteers Needed!

The Canterwood Division 12 STEP Association is looking for volunteers to serve on the Board. We have openings for next year. You will have input at Board meetings and assist with Board decisions.

You only need to have email access and commit to attending 6 informative and interesting Board meetings a year!

If you are interested, or need more details, please contact a current Board member or Diamond Community Management - 253-514-6638 or email: carol@diamonddcm.net

Thank you in advance for considering volunteering,

*Div. 12 STEP current Board of Directors:
Lynn Singleton, John Soukup and Rick Meeder*
