Greetings Division 12 Residents!

It is that time of year when HOAs need volunteers to serve their community. Your Division 12 STEP HOA is in that position. The community needs at least three volunteers to run for the Board and of course, serve if elected. The STEP HOA only deals with issues related to the system managing community wastewater so it has a non-controversial mission. The commitment is minimal—approximately four-two hour meetings a year that occur during the day and the one annual evening meeting with the community. Any issues coming up between meetings are handled by email. So the commitment is minimal but having a Board is so important. No special knowledge is needed and to be honest, since the HOA was turned over to the community by the builder, the current and previous Boards have addressed the “start-up” issues.

***So please “step” up—pun intended and volunteer to serve your community.***

***Contact Lynn Singleton ([Beebarb@hotmail.com](mailto:Beebarb@hotmail.com) or 360-789-9176) or any Board member [www.canterwooddiv12step.org](http://www.canterwooddiv12step.org) with your name or questions.***

***Thanks so much!***
